3. Purpose (briefly state the reason for the disclosure; for example, scholarship, letter of recommendation, admission to a college/university, etc.):

For Letters of Recommendation Only: You must provide written consent using this form before a University employee will write a letter of recommendation on your behalf. Consent is not required for a writer of a letter of recommendation to disclose subjective observations or assessments that he/she has of you or information classified as directory information under University policy. FERPA allows, but does not require, you to waive future access to a letter of recommendation; the purpose of the waiver is so that the writer can feel comfortable giving an honest and meaningful letter of recommendation.

- I do not waive my right to review a copy of the letter of recommendation.
- I grant permission to provide a verbal reference.

I further agree to release Rockhurst University and its officers, employees, agents, and successors, to the maximum extent permissible under law, from all claims and liabilities for damages, known or unknown, that may result from compliance with a request for a letter of recommendation.

I understand that this consent (and any waiver as relating to a letter of recommendation) shall remain in effect unless revoked by me in writing. Revocation will not affect disclosures previously made prior to receipt of the written revocation.

Please PRINT, COMPLETE, and DELIVER this form to the Registrar's Office. In the case of a letter of recommendation or reference, also COPY and DELIVER to the Rockhurst employee from whom you are requesting the recommendation.
